Name of Student: \_\_\_\_\_

Dear Teacher:

Your student is an aspiring martial artist studying Aikido at Kyushinkan Dojo (Roswell Budokan). Aikido students must demonstrate perseverance and a proper attitude, both at the dojo and at your school. In order to be eligible to test for rank advancement, our Aikido students must have their teacher certify that the student is striving hard to reach their full academic potential, and is behaving properly. We expect that our students will be positive examples of the following principles: Courtesy, Loyalty, Compassion, Bravery, Honor, Right Attitude, and Sincerity.

I certify that my student regularly demonstrates the above qualities:
